

A Deadly Cough

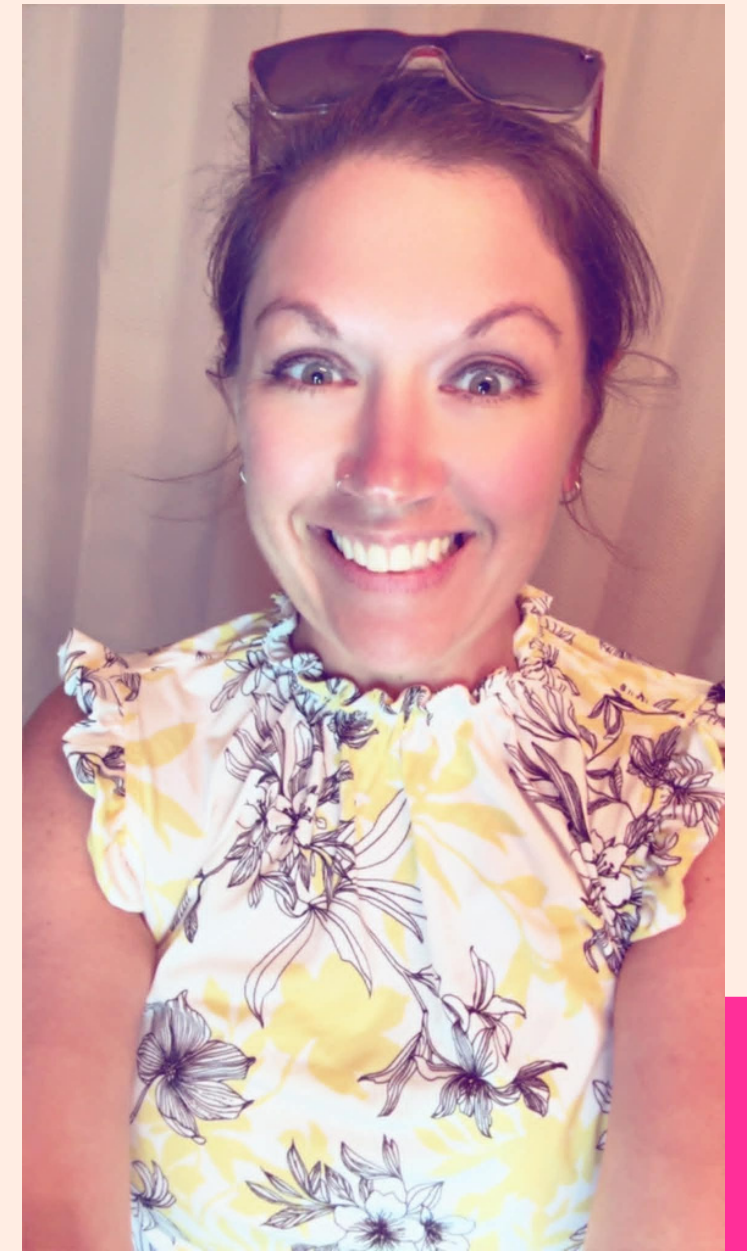

Callie's Story

DISCLAIMER

I am not partnered with any medical professional, hospital or pharmaceutical company. I am not being compensated for sharing Callie's story.

I am strictly a hot mess mom on a mission to share my daughters story so that it doesn't become your story.

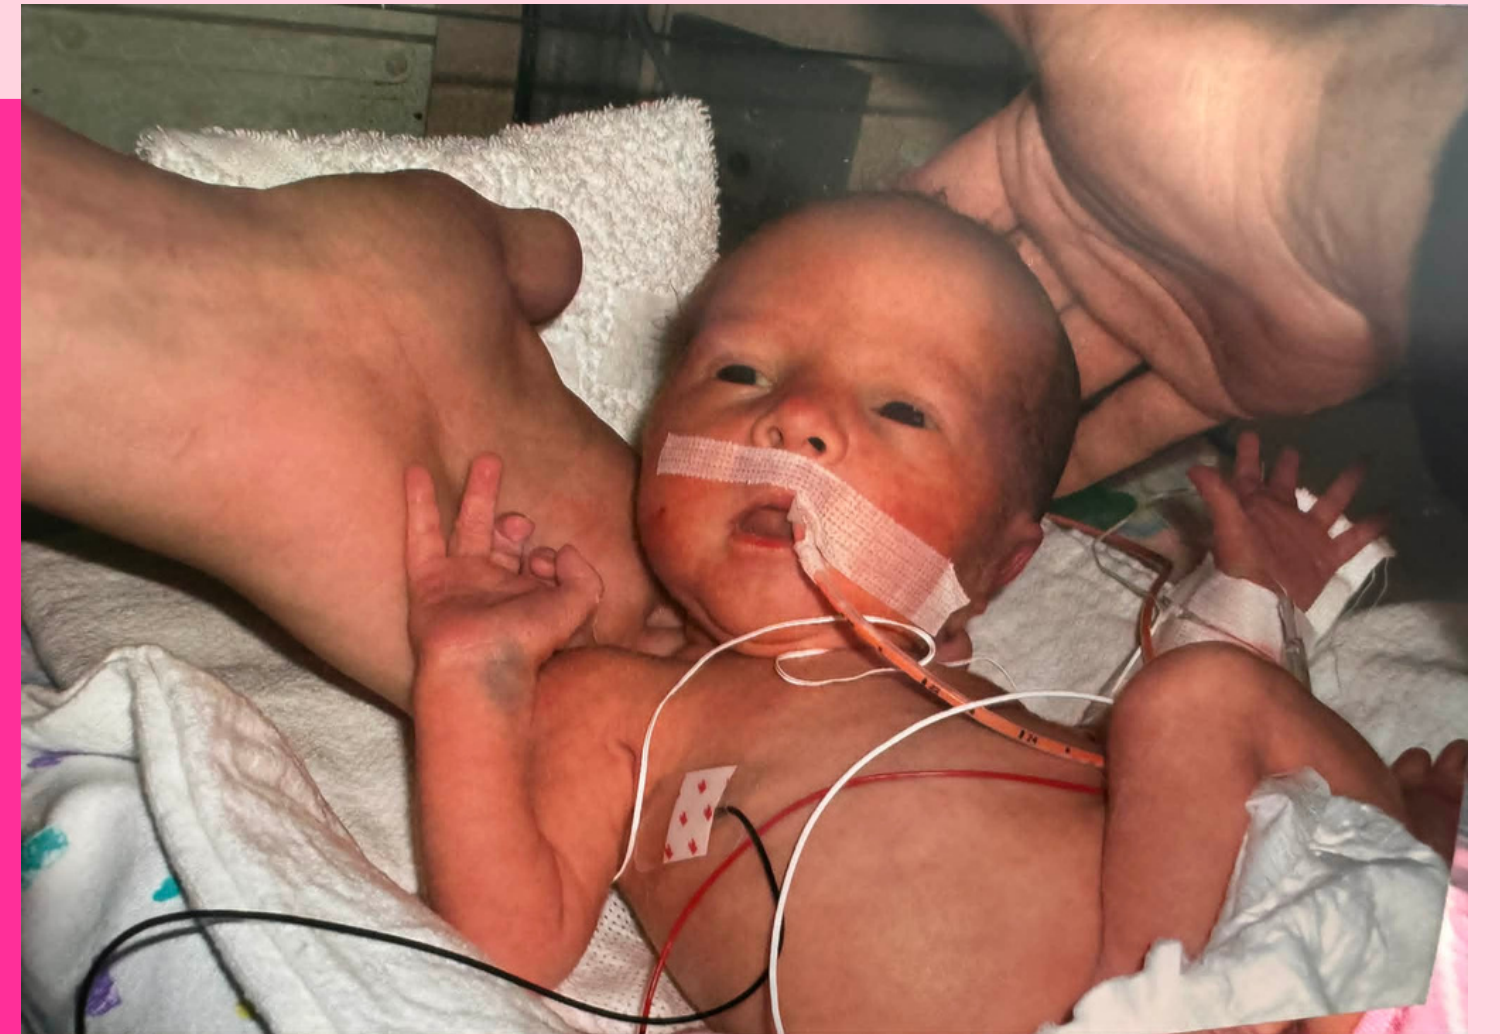

Annnnd, I am not always politically correct. I apologize in advance, but I am just me, no sugarcoating it, just real life straight talk.
